GENERAL WOUND CARE INSTRUCTIONS

To promote proper healing of your wound, please follow the following guidelines:

Twice a day for three days:

- Clean your wound with half hydrogen peroxide and half tap water.
- Apply an over-the-counter antibiotic ointment such as Bacitracin or Polysporin. Do not use Neosporin as it can cause an allergic reaction.
- Cover with a band-aid as needed.

IT IS NORMAL FOR THE SITE TO BE SLIGHTLY RED.

YOU MAY SHOWER OR GET THE SITE WET.

Should you have any questions, Please call our Littleton Office at (303) 795-2030
or our Lowry Office at (303) 261-1525.
